White Plains, NY 10602

Dear Rotary Club Committee,

It was an honor to be one of the recipients of the 2007 Rotary Club Scholarship.

I had a wonderful time at our last meeting. I will never forget you and I would like to thank you for being so kind to me during the interview and the Luncheon meeting. I will try to always keep you updated with my accomplishments, so you won't forget me either.

As you know I will be attending Baruch College in the fall and I plan to double major in Accounting and Finance and hopefully minor in Spanish. I have always taken education seriously and the reason for this is that I see education as the main step to the zenith of the staircase of success. Therefore, my goals for now is to continue doing well in school and being a role model to my brother. I am motivating him to enroll in community services activities and attend honors classes. We will soon be volunteering at the American Red Cross together and next year all his classes will be advanced courses. As you can see, my work is being compensated.

Furthermore, I would be glad to volunteer for any future events promoted by your organization. And you may call me at any time if you need my volunteer help or even if you have any questions.

I want to thank you again for such honor and for your generosity. I am very grateful because this monetary gift is helping me continue my education and proceed with my journey to success.

Thank you very much.

Sincerely,

Thabata M. Ribeiro
