G. Theodore Nygreen, President
The Rotary Club of White Plains
P. O. Box 1712
White Plains, NY 10602

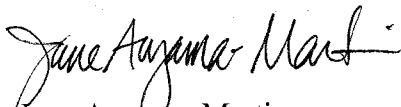

Dear Mr. Nygreen:

On behalf of the Pace Women's Justice Center, I want to thank the Rotary Club of White Plains for supporting our Center with a grant of \$1,000.00. Your support, which helps us fund a bilingual interpreter for our work with non-English speaking domestic violence victims, is essential to the success of the Center's innovative programs that empower victims and survivors to access the services necessary for them to be safe in our community.

Each day we reach out to help improve the lives of domestic violence victims and survivors so that they may move forward with dignity, confidence and renewed strength. Your generous donation reinforces our message that community support is essential to our mission to end violence against women.

Thank you again for your support of the Pace Women's Justice Center.

Very truly yours,

Jane Aoyama-Martin
Executive Director
