

To Our Little Rotarian "Teddy" Bear

Your type 'A' personality
sometimes a bit on the edge.

Would kick in each and every Tuesday
when you'd start off reciting the pledge.

We know that you love photography, emails,
anything techno and fine.

Let's not forget that you are an expert,
Connoisseur of real fine red wine.

We enjoyed your year as Prez
and think you're web was the best.

What we miss most of all each week
is reciting the four-way test

You gave of your time
And would sometimes say

I'll teach you to fish like in the bible.
That's just my way.

Now that your year is up,
you again can enjoy your lunch

With you at the head of the helm,
We had an absolutely great "Rotarian" lunch.

Congratulations on a job extremely well done.
I enjoyed being your president-elect.
Together we had great fun.
