To Whom It May Concern:

I would like to take this opportunity to thank you for your contribution of \$ 500.00 toward my future and education at Lincoln Tech Institute. I am very honored and excited to be the recipient of this scholarship.

As you know I am currently a senior at White Plains HS, and I look forward to graduating on the 22nd of June. My goal is to pursue a degree as an automotive technician. Therefore, after completing my two year program at Lincoln Tech, I'll be looking forward to achieve an even higher degree in Automotive Technology.

Receiving this scholarship motivates me to maintain higher grades in school and to achieve my goals. I look forward to being able to give back to the community once I earn my degree. I thank you for your confidence and willingness to help me pursue my dreams.

Sincerely,

Junior Sainvil
