Dear Mr. Nygreen,

On behalf of the City of White Plains Youth Bureau, I wish to thank you and the Rotary Club of White Plains for your donation of \$1,000. This contribution will allow us to continue serving the youth of our community through educational programming and fostering of their well-being. The Tennis Program has been a success, thanks in part to fellow community members that support us in keeping our youth learning, building strong relationships with their peers and granting them opportunities to build their self-esteem. Please expect an invitation to one of our tennis events.

Thank you again for this token of support.

Sincerely,

Frank Williams, Jr.
Executive Director
