Rotary Club of White Plains
P.O. Box 1712
White Plains, NY 10602

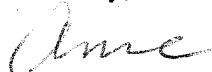

Dear Georgene:

On behalf of the children who benefit from the services of Westchester Arc as well as members of the community at large who are inspired by them, I want to thank the Rotary Club of White Plains for the generous gift of \$1,000.00. This donation will be used to provide specialized teaching services for children who have been diagnosed on the autism spectrum. These services will help them learn the communication and social skills that will enable them to live fulfilling lives.

The mission of Westchester Arc is to provide caring and empowering services to people with developmental disabilities so they can achieve their potential based on their unique abilities and be contributing members of their communities. This gift will help the organization continue that commitment.

All of us at Westchester Arc and the Foundation are grateful to you for your friendship.

Sincerely,

Anne Sweazey
