Dear Georgene:

On behalf of the White Plains Reads Committee, White Plains Community That Cares Coalition and the White Plains Youth Bureau, I write this letter to express our sincere appreciation and thanks to you and the White Plains Rotary for providing support to help our children develop their language and literacy skills. Your kindness and support will serve as a catalyst for academic success and self sufficiency.

I would also like to invite members to see some of our reading activities. I think that if you saw the work being done in White Plains especially in disadvantaged homes, you would be very happy.

Again, thanks you and God Bless!

Sincerely,

Frank Williams, Jr.
Executive Director
