

About The Event:

The Rotary Club of White Plains Golf Outing and Dinner will be a day of golf, food, fun and focused fund-raising for our Foundation, which serves the community by providing grants and donations to non-profit organizations and scholarships yearly for local high school students to help with college expenses.

About Us:

Rotary is a global network of more than 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves. To read more about the significant impact our Rotary Club has had here and abroad visit www.rotarywp.org and view our project history.

**DINNER HONOREE: THE CAPPELLI ORGANIZATION
BRUCE BERG, ACCEPTING**

The Cappelli Organization has fundamentally transformed Westchester County’s skyline and downtown areas over the past decades through over 30 million square feet of development, including signature projects like City Center in White Plains and New Roc City in New Rochelle. The company serves as a major developer and builder, redeveloping aging infrastructure into mixed-use residential and retail spaces. Through its Foundation it has given out nearly \$15 million in grants to support at-risk youth, education and social services.
